Dear Mr. Pinkerton:

Re: Amended Notice of Intention to Commence Exploration Activities, Tintic Project,  
E/023/038 and M/023/007, Juab County, Utah

Thank you for your amended letter, received by the Division January 11, 1991 concerning your Tintic exploration project, located in Section 17, T10S, R2W, SLBM, Juab County, Utah. The letter satisfies the notice requirements of Rule R613-002 of the Utah Mined Land Reclamation Act of 1975, Title 40-8, Utah Code Annotated. All information in the letter relating to the location, size, or nature of the deposit will be held as confidential material by the Division until written permission to release the information is received.

This notice is good for the 1991-92 exploration season. If any of the proposed exploration is not completed before November 30, 1992, you must inform the Division in writing, of your intention to carry work on the project over into the next field season.

As soon as your November 27, 1990 plan amendment is approved by the Division, this area will be included in the overall North Lily mine permit.

Please keep us apprised of the status of your operation, including any plans for reclamation of your exploration activities. Enclosed is a copy of our Mineral Exploration Progress Report (Form MR-EPR) to be filled out and returned to the

Division at the end of each exploration year and when the project is completed. This form must be filed as required under rule R613-002-115.

Thank you for your cooperation. When in the area, a member of the Division staff will examine the site. In reply, please refer to E/023/038.

Sincerely,
